10. Recognition of Prior Learning and Credit Transfer Policy and Procedure

Policy

Minda Inc t/a South Australian Learning Centre (SALC) supports the principles of Recognition of Prior Learning (RPL) and Credit Transfer (CT) as fundamental rights for all VET students. These processes provide fair and equitable recognition of previous learning, work experience and formal qualifications, supporting student progression and avoiding unnecessary duplication of learning.

SALC ensures all students are informed of their rights to apply for RPL and/or CT during the enrolment process. RPL decisions are made based on valid and sufficient evidence aligned to the training product's requirements and must follow the organisation's assessment system. CT is granted upon provision of verified AQF certification documentation or authenticated transcripts.

All decisions are made in a manner that is transparent, consistent and supportive of student progression while upholding the integrity of qualifications issued. The organisation ensures trainers and assessors involved in RPL are experienced, hold current competencies and apply robust evidence-based processes.
